Thank you for visiting Creative Times Academy. We provide a fun, loving creative, environment. Our common purpose is to daily enhance the lives of the children and families we serve. We strive to support children's growing independence and build confidence to achieve their full potential.

Our facility features many of the latest advances in the child care industry. We have an onsite video monitoring system enabling the director and managing staff to ensure that all policies and procedures are strictly followed. The entry to the building is secured by a coded keypad, allowing only authorized people in the building. Our building is almost 13,000 square feet and is set on 8 acres of property. We have several age appropriate playgrounds for all age groups, including a covered patio area with ceiling fans and poured in place rubber flooring. We have an on-site kitchen where nutritious meals and snacks are prepared daily. Lunch and snacks are included in your tuition (exception no lunch for the ½ day Pre-K).

Our school uses Creative Curriculum offering your child many opportunities to develop important skills needed to help him/her be successful in school.

Attached is a price list and hours for each of the programs we offer. We thank you again for your interest in Creative Times Academy.
